- **Guest Editor:**
  - Special Issue on "Rapid Systems Prototyping", *Journal of Systems and Software*. (To Appear).
  - Special Issue on "Rapid System Prototyping", *IEEE Transaction on Software Engineering,* Vol.28, No.9, September 2002.
  - Special Issue on "Engineering Automation for Computer Based Systems", *Science of Computer Programming*, Vol. 42, No. 1, January 2002.
  - Special Issue on "Computer Aided Prototyping Systems", *Journal of Systems Integration,* Vol. 6, No. 1-2, March 1996.
  - Special Issue on "NATO Country Joint Software Initiative, ESPRIT Project II & III", *IEEE Software,* November 1993.

- **Recent Chair, Co-Chair and Committee Membership of International Conferences:**
  - Steering Committee of the 2003 Monterey Workshop Series: Workshop on Software Engineering for Embedded Systems: From Requirement to Implementation, Chicago, IL, September 24-26, 2003.
  - Industrial Session of Workshop on Component-based Systems: Foundations and Design Methods, Macau, China, 28-30 October 2002.
  - Steering Committee of Monterey Workshop on Radical Invocations of Software and Systems Engineering in the Future, Venice, Italy, 7-11 October 2002.
  - Panel of Monterey Workshop on Radical Invocations of Software and Systems Engineering in the Future, Venice, Italy, 7-11 October 2002.
  - The 13th IEEE International Rapid Systems Prototyping Workshop (RSP'2002), Darmstadt, Germany, 1-3 July 2002.
  - The 12th IEEE International Rapid Systems Prototyping Workshop (RSP'2001), Monterey, CA, 25-27 June 2001.
  - The 2001 Monterey Workshop on Engineering Automation for Software Intensive System Integration, Monterey, CA, 18-22 June 2001.
  - The 21st International Conference on Distributed Computing Systems (ICDCS-21), Phoenix, AZ, 16-19 April 2001.
  - Twelfth International Conference on Software Engineering and Knowledge Engineering, (SEKE2000) Chicago, IL, 6-8 July 2000.
  - Computer Software Area Session, Fifth World Conference on Integrated Design & Process Technology, Dallas, TX, 4-8 June 2000.
  - Computer Software Committee of IDPT 2000 (The 5th World Conference on Integrated Design and Process Technology.) Dallas, TX, 4-8 June 2000.
  - 2000 Workshop on Software Reuse, Florida, June 2000.

- The 2000 Monterey Workshop on Modeling Software System Structures in a Fastly Moving Scenario, Santa Margherita Ligure, Italy, 13-16 June 2000.
- The 11th IEEE International Rapid Systems Prototyping Workshop (RSP'2000), Paris, France, 21-23 June 2000.
- The 1998 ARO/ONR/NSF/DARPA Monterey Workshop on Engineering Automation for Computer Based Systems, Carmel, CA, 23-26 October 1998.
- Workshop on Software Design Automation for Reactive Systems, Software Engineering Subcommittee, Research Triangle Park, NC, 15-16 July 1998.
- 10th International Conference on Software Engineering and Knowledge Engineering (SEKE98), San Francisco, CA, 18-20 June 1998.
- Workshop on Requirements Targeting Software and System Engineering - Towards a Scientific Basis, Munich, 12-14 October 1997.
- 9th International Conference on Software Engineering and Knowledge Engineering (SEKE97), Madrid, Spain, 18-20 June 1997.
- CAPSTAG Workshop, Monterey, CA, March 1997.
- IEEE/ACM COMPSAC96, Seoul, Korea, 7-11 August 1996.
- Eighth International Conference on Software Engineering and Knowledge Engineering (SEKE96), Lake Tahoe, CA, 10-12 June 1996.
- Second International Conference on Requirements Engineering, Colorado Springs, CO, 15-18 April 1996.
- IEEE International Conference on Data Engineering, New Orleans, LA, 11-14 February 1996.
- Second International Conference on Applications of Databases, Santa Clara, CA, 13-15 December 1995.
- Monterey Workshop 95, Increasing the Practical Impact of Formal Methods in Computer Aided Software Development: Software Architecture, 12-14 September 1995.
- Software Acquisition Workshop, Monterey, CA, 1-5 May 1995.
- IEEE/ACM Symposium on Real-Time Technology and Applications, Chicago, IL, May 1995.
